SUBJECT INDEX

Abstract thinking 248
Accreditation, ROSBA scheme 99
Achievement, external aid 342
Aggregate scores, Australia 18
Arts, youth culture 147
Assessment
  curricula 22
  ROSBA scheme 93
  school-based criterion-referenced, Australia 91–107
  school effectiveness, Australia 47–71
  student achievement 10
Attitudes
  road safety education 79
  secondary schooling 57
Australia 3
  Commonwealth Tertiary Education Commission 151
  effectiveness of secondary schooling 47
  English as a second language 109
  new orientations to evaluation 141
  road safety education in a science course 73
  school-based criterion-referenced assessment and curriculum design 91
  school evaluation 383
  student achievements 7
  tools for self-evaluation 31
Australian Council for Educational Research 52
Australian Scholastic Aptitude Test 11, 55
Australian Science Education Project 109

Basic skills and employment 52
Borderline test-taker 337
Buffering 325

Career education programmes 59
Catholic schools, Australia 385
Centre for Programme Evaluation, Australia 141
Certificates, Australia 15
Chinese primary schools, socialization objectives 257–276
Classroom environment 58
Classroom, ethnic composition and achievement in Israel 231
Clustering, educational aid 340, 347
Collaborative School Management Cycle 40
Commonwealth Schools Commission 3
Commonwealth Tertiary Education Commission 151–159
Comparability 20
Compensatory programmes, Netherlands 207
Comprehensive schools, Australia 8
Consistency index 298, 303
Continuous assessment, Kenya 282
CREDIT 286, 288
Criterion-referenced testing 282
  Australia 12, 13, 55, 91
  school-based 91
  schooling outcomes 55
  standard setting 335
Curriculum changes, school based 63
Curriculum improvement, respondents' free comments 183
Curriculum innovation, Netherlands 359–382
  development 363
  implementation 371
Curriculum materials, ESL, Australia 111
Curriculum revision, Kenya 279

Data administration 174
Decentralisation of decision-making, Australia 33
Degree programme in primary education 187
Denmark, item difficulty 309
Developing countries 339–357
Developing institution, internal evaluation 163–181
Difficulty of test items 196, 309–317
Discipline assessments, CTEC 155
Domain-referencing 13
Dutch National Education Priority Programme 207

Ecology of teaching 220
Education aid to developing countries 339–357
  clustering 340, 347
Educational validity, standard setting 295
Effectiveness of secondary schooling in Australia 47
Electrotechnics, curriculum development 365
Engineering, discipline assessment 155
English as a second language, curriculum materials 109–139
Enrollment data, aid 341
Ethnic homogeneity 342
Ethnic integration, Israel 232
Evaluation resource management 173
Examinations
  influences on 296
  item difficulty 309–317

New Zealand 319
External examinations, Australia 10

Family and socialisation in China 260

Gender, road safety education 85
General Certificate of Education 298
consistency indices 302, 303
General Certificate of Secondary Education 296
Girls in Mathematics and Science Teaching 145
Goal-free evaluation model 183
Grade boundaries 291
Grade criteria 297, 298
Grade distribution, New Zealand School Certificate 326
Graded objectives in Modern Languages 23
Graded tests 15, 92
Grade-related criteria 14

Hierarchical subject scaling 322
HIGHWAYS 113

IAEA Conference, Bangkok 1987 277
Immigrant children, primary education in Netherlands 207
Implementation evaluation, ESL, curriculum materials 109
Indicator data 339
clustering 340, 347
Innovations Configuration checklist 114, 121, 128
In-service training 23
ROSBA scheme 97
Instructional materials, model curriculum 373
Internal evaluation, developing organisation 163–181
International General Certificate of Secondary Education 298
assessment 300, 306
Israel
ethnic integration and achievement 231–246
verbal reasoning 247
Item-banking 309, 310
Item difficulty 196, 309–317
Item response theory, standard setting 285–293

Job performance, primary graduates 190
Junior vocational education 359–382

Kenya, revised curriculum 279–284

Learning disabilities 52
Learning English in Australia 113
Learning Environment Inventory 58
Lesotho Distance Teaching Center 163, 165
Library facilities, primary education 188
Literacy, external aid 342
Logic of science for ninth graders? 193–205
Longitudinal evaluation study 211

Mechanical technics, curriculum development 368
Meta-analysis, ethnic composition and achievement in Israel 231–246
Model curriculum, Netherlands 368
materials 373
Moderation 11, 20, 55
Monitoring and evaluation unit capabilities 164
Moral qualifications, China 259, 265
Mother Tongue and Native Culture Tuition 209

National assessment, Australia 53
National Council for Independent Schools manual 37
National Council for Vocational Qualifications 296
National Criteria, U.K. 296
National curriculum, Netherlands 359–382
National standards, Kenya 282
Native Culture Tuition 209
NCE primary programme 183
Netherlands
National curriculum 359–382
National Education Priority Programme 207
New South Wales, school evaluation 389
New Zealand School Certificate 319–333
examination setting and marking 320
mark adjustment and subject scaling 322
reporting results 326
Nigeria, presage variables and teaching practice 219–229
Ninth grade, the logic of science 193
Non-English speaking background students 109–139
Nonformal education, Lesotho 163

On-going self-evaluation 40
Organizational climates 165
Organizational Climate Description Questionnaire 58
Organizational maturity 168, 171
ORIGINS 113, 116, 126
OVB 208

Partial Credit model 286
Participation and Equity Programme evaluation 142
Performance standards 13
Periodic self-evaluation 37
PRAISE 23
Presage variables 219–229
Primary education, curriculum improvement 183
Primary education degree programme 187

Primary schools
China, textbook analysis 257–276
compensatory programmes 208
SMILE materials 118
Priority area programme, OVB 210
Private schools, Australia 35, 391
Profile-based reporting 22
Project Baseline 39
Project work assessment 306
Psychological climate, internal evaluation 172

Quality of school life 58
Queensland, school evaluation 91, 385

Reading comprehension, verbal reasoning 247–256
Reading and Thinking test 250
Reasoning, reading comprehension 247
Records of achievement 16, 20
Relevance, U.K. examination system 296
Remedial courses, NCE primary programme 190
Reporting School Certificate results 326
Respondents' free comments 183
Retention rate, Australia 8, 61
Review of School-Based Assessment scheme 91, 93
Rivers State College of Education NCE Primary Programme 183
Road safety education 73–89

Sandwich degree programmes 189
Scaled scores 19
School-assessed courses 22
School-based curriculum changes 63
School-based evaluation, Australia 91–107, 383–398
School-based management of resources 35
School Certificate, New Zealand 319–333
School Improvement Plan 385
Schooling structure, aid 341
School self-evaluation, Australia 31
on-going 40
periodic 37
School socialization in China 258
Science logic 194
Science and the Road 74
Screening 17
Secondary education, Australia 8
effectiveness 47–71
Secondary school, ORIGINS material 126
Selection, Australia 9, 16
Self-evaluating organizations 163
Self-evaluation tools 31, 36
Self-renewing schools, Queensland 386
SES and teaching facilities 208
Sixth Form Certificate 329
SMILE 113, 118
Socialisation objectives of Chinese primary schools 257–276
Southern Australia, school evaluation 388
Spelling, difficulty 309, 313
Spotlight on School Improvement 399
Standards-based-assessment, Australia 11
Standard setting
criterion-referenced tests 335–338
item response theory 285–293
reliability 295–308
Standards in Kenya 282
Status of areas of study 21
Student achievement in Australia 7
Student Achievement Record 16
Student teacher placement 219–229
Student–teacher relationships 22
Study leave 189
8-4-4-System, Kenya 279

Tasmania, school evaluation 389
Teachers
effectiveness 64
in-service training 23
pre-service education 144
ROSBA scheme 96
use of curriculum materials, ESL 112
Teachers as Evaluators Project 383, 385
Teaching practice, presage variables 219–229
Technical and Further Education Colleges, Australia 23
Technical vocational education, Netherlands 359–382
Tertiary education, Australia 151
Tertiary selection, Australia 16
Test equating 285, 289
Textbooks, Chinese primary schools 257–276
Thinking 248
TRANSIT 113
Transition to work 60

United Kingdom examination system 295
University Entrance, New Zealand 320
U.S. Agency for International Development 163

Verbal reasoning 247–256
Verification 20
Victoria, school evaluation 385

Ward's minimum variance method 347, 355
Western Australia, school evaluation 387
Work-experience programmes 59
Work programme, ROSBA scheme 94

Youth culture and the arts 147
